# Take Control of Your Money, The Smart Way

Track your income, expenses, and savings in one simple dashboard. EizyCash helps you stay in charge of your finances without the stress.

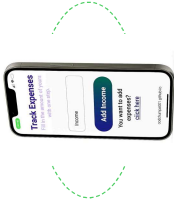

Get Started Free

1

## Record Your Income

Log all your earnings in seconds — from salary to side hustles. The income form helps you see exactly how much you make and balance it with your expenses.

eizyCash | Smarter expense tracking, made simple

2

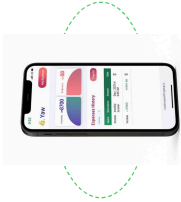

## Add Your Expenses

Easily record your daily spending with the expenses form. Add names, descriptions, and amounts to keep track of where your money goes. Simple, fast, and organized.

3

## Stay Organized with Your Dashboard

View all your entries in a clean table with summary cards. Your dashboard brings everything together, making money tracking easy and stress-free.

“Ready to take control of your money? Start tracking today with EizyCash.”
